Club Night - July 2016

Around 28 members present

1. A very warm welcome to everyone, to our new home here at The Royal British Legion Social Club. We are booked in for the next six months, up to and including December 2016.

2. Recruitment of new members. Gordon and others will shortly be attending Staffordshire's very popular Biker Breakfast events. A recent event attracted over 500 riders! If you would like to support these, please get in touch with Gordon.

3. We can all play our part to help promote our club. Spread the word far and wide about how we turn riders in to advanced riders. We have FREE marketing leaflets here to help you. Plus, we are an award winning club and we should be very proud of this amazing achievement. Wherever you go, let everyone know what we do and how we do it.

6. An apology. My attention and performance has recently not been as sharp as it needs to be to run your club. There are many people who put a lot of hard work and effort in to making sure our group is as successful as it is. I have let them down, and for that I would like to apologise to them and to you, the members. My personal apology goes to Geoff Salt and Gordon Constable in particular.

7. I will shortly be going away for a period of 6-weeks to receive medical treatment. The club is in very good hands with your entire committee. Any specific queries will be managed by Geoff Salt in my absence.

8. Have a great evening.
